Schedule is provided as a guide only as actual days and times may change due to the scheduling of practice fields and games with other communities.

***Note for U14 and U16**

Teams will depend on the number of participants and if short for a full team we will attempt to merge with other communities.

HHBH COMMUNITY SOCCER – 2012

Important:

- All players must belong to the Hounsfield Heights-Briar Hill Community Association – please purchase a family membership [here](#), or bring two cheques to registration night
- Players will need to bring their own soccer balls to practices and games.
- Practices start first week of April (weather permitting). Games start at the end of April. Coaches will contact players prior to first practice by telephone or email.
- Players must register in the age level according to year of birth. The coaches and coordinators only sanction playing “up” in the next age level.

On-line registration is preferred. If you cannot register on-line and you miss registration night, you may mail your completed form and two cheques (soccer fee and HHBH membership) payable to HHBH Community Association to:

**2012 HHBH Soccer Registration
1820 13 Avenue NW
Calgary, AB, T2N 1L3**

Deadline for Registrations is March 10, 2012

Late Fee may apply for registrations received after March 10.

Volunteers Make “It” Happen

The community soccer program needs volunteers: coaches, assistant coaches, equipment managers, field maintenance, registration and wind-up picnic organizers. Please consider volunteering in some way when you register your children.

If you can volunteer this year or want to know more about the jobs, please contact us!

HHBH COMMUNITY SOCCER – 2012

Team Philosophies & Selection Process

HHBH community soccer aims to provide soccer development for young players (U5 to U16) in a fun and enjoyable environment and by minimizing the amount of travel (all at a reduced cost).

Division 1 (U5 to U8):

For the U5 to U8 players the soccer program will focus on individual skill development such as dribbling, shooting and passing at weekly practices. Skill development allows the players maximum contact time with the ball and will generate a feeling of accomplishment. The players will pick up the basic concepts of soccer such as offence, defense, and team play. Games in U5 and U6 will be between other HHBH teams and incorporated into the regular practice schedule. U8 games will be played against other communities local to HHBH. Games will be focused on having fun. Overall the focus of our coaching program will be to develop a respect for teammates, opposing players and coaches, and a sense of fair play.

Div 1 Selection Process: Even strength co-ed teams will be selected.

Division 2 (U10 to U16):

The soccer program for the U10 to U16 players continues building on the foundations laid in Div 1. Skill development still encompasses individual ball handling but is expanded to more complex team play. Concepts of individual positions will be introduced. Games and practices will continue to be fun and rewarding for all players. In this age group the competitive nature of the game will become more important.

Div 2 Selection Process: The communities that HHBH is involved with will attempt to organize separate boys and girls teams in these age groups but that mainly depends on the number of players registered. A coaches' meeting will be held after registration to organize the teams.

Questions? Concerns?
