

Community Traffic Issue Reporting Form

Use this form to report a community traffic problem or safety issue to the City. Staff will follow up and determine whether traffic calming measures would be appropriate to address the problem, or whether another solution is required. If traffic calming is the appropriate solution, staff will prioritize the problem(s) you identify among all reported problems in the City. Community traffic studies are undertaken on a priority basis.

Location of problem(s). Be specific — indicate streets, intersections, addresses:

Type of problems. Check all which apply:

- Pedestrian safety
- Other safety (cyclists, motorists)
- Parking
- Speeding vehicles
- Shortcutting traffic
- Other problems

Describe the problem(s). Be specific and provide as much information as possible. Indicate times of day, directions of travel, magnitude and extent of problems, and so forth:

The personal information is being collected under the authority of the Freedom of Information & Protection of Privacy Act, Section 33(c). It will be used to communicate with the signatory as required. It is protected under the privacy provisions of the FOIP Act. If you have any questions regarding the collection of this personal information please phone 3-1-1.
