Happy New Year to everyone in Hounsfield Heights - Briar Hill!

Our community association is also starting a new year. We had our annual AGM on November 19th, 2014 and there have been a few changes on the board that you should note. Please have a look at the list of positions and who has filled those roles.

You will notice that a few positions are vacant. Please consider joining us as we really need active and interested community members to make our neighbourhood vibrant and sustainable. And fun! Two key positions in this regard include Events Director & Beacon Newsletter Editor.

Don't forget to check our community website regularly: www.hh-bh.ca. There you will find the most up-to-date information on events and news that's happening in our community.

We wish you all a successful 2015 and hope to see some of you at our community association meetings which occur the second Thursday evening of every month, at 7:00 pm.

Yours truly,
Laura Hunt - Secretary/Treasurer

A Letter from Sears to the Community

October 23, 2014

Sears Canada Inc (Sears) and Clifton Associates Ltd. (Clifton), are pleased to provide the following status update on the active investigation within the community of Hounsfield Heights.

Since the previous Beacon posting dated July 28th, 2014, Sears and Clifton have begun implementing the proposed work plan presented in the Draft Updated Site Management Plan (2014) with the contractors All Service Drilling and AGAT Laboratories. To date, the monitoring well decommissioning is over 75% complete and the borehole drilling and monitoring well installation has now begun. We are anticipating that the borehole drilling/monitoring well installation program will be completed by the end of 2014/early 2015, followed immediately by our first round of groundwater monitoring and sampling. Once the borehole drilling is completed and samples taken, Clifton will begin using this information to revise the Conceptual Site Model and provide information to Intrinsic to complete the revised Health Risk Assessment.

An incident occurred on August 14th during the borehole decommissioning program. A sensor failed in the drive train of the drilling rig, resulting in the rig moving independently on a portion of 15th Street NW. While no one was injured, the equipment damaged a handrail located at the intersection of 11th Avenue and 15th Street NW. A full investigation was completed. All parties were contacted and fully informed of the incident, including the City of Calgary and a resident of 15th Street. The mechanical error on the drilling rig was immediately corrected, and additional safety measures were implemented to ensure that this type of incident does not occur again. The City of Calgary considers the matter closed.

The Dual Phase Vapor Extraction system has been operating well over the past several months, removing petroleum hydrocarbons from the subsurface. Recently, there has been a two week shut down due to a mechanical failure with the burner unit. Sequoia, the contractor maintaining the system, has been on top of this issue since it occurred and the equipment was back up and running once the burner unit was corrected. It is expected that it will continue operating throughout the remainder of the borehole drilling and monitoring well installation program.

Lastly, Sears and Clifton were also pleased to submit to the Community a comprehensive list of answers to questions that were received both during the Open House and via email in the weeks that followed. We hope that you found this information helpful and, as always, if you have any further questions, please do not hesitate contacting Clifton or Sears directly.

Sears and Clifton appreciate the opportunity to provide this information to the residents of Hounsfield Heights and look forward to being able to issue our next progress report in the coming months.

Sincerely,

Greg Paliouras,

Divisional Vice-President,

Construction, Energy and Maintenance

Sears Canada Inc.

Leading a Jane's Walk in Calgary

A 'How-To' Workshop

Date: Thursday, January 29, 2015

Time: 7:00 – 9:00 pm

Location: Albert Park Radisson Heights CA
(1310 28 ST SE)

Jane's Walk is a weekend of free neighbourhood walking tours held in cities around the world each May. If you're curious about leading a Jane's Walk, The Calgary Foundation & The City of Calgary invite you to attend a "how-to" session where you will receive step-by-step instructions on how to bring your ideas and neighbourhood to life through a walking tour. This event is free and light dinner will be provided at 6:30pm. For more info or to register by January 27, 2015 go to: www.calgaryjanewalk.eventbrite.ca

Volunteers Needed

Passionate about music or drama?

The Calgary Performing Arts Festival is looking for volunteers to help with the 2015 Festival from March 2-15 and April 20-30 at the Jubilee Auditorium and SAIT Polytechnic.

For more information, please contact Holly at 403-283-6009 or volunteer@cpafestival.ca.

CEMA Kits

Our City has recently experienced two natural disasters, the flood in 2013 and the summer snow storm in 2014, emphasizing the need to be prepared. The Calgary Emergency Management Agency (CEMA) has created a kit which includes a 72 hour emergency plan and an important document checklist.

The Hounsfield Heights – Briar Hill Community Association has obtained and will deliver a CEMA kit to each household in our community. Our gift to you as a member of this community is this kit to aid you in being prepared for a flood, storm, pandemic, fire, or chemical spill. Look for the kits in your mailbox. Have a safe & happy new year

Council Approves Four-year Budget

Happy New Year, Ward 7, and thank you to all who participated in the budget process last year to help Council set priorities. In December, Council approved the 2015-2018 Action Plan which sets out plans and budgets over the next four years. During budget deliberations, I championed investment in services that are important to Ward 7 residents, such as public transit, pedestrian access, parks, and the environment.

Here are some highlights from Action Plan 2015-2018:

- The plan represents a lean budget for a growing city, with \$50 million in efficiencies found by City Administration. The approved 2015 average monthly tax increase of \$5.95 will maintain service levels in most departments, with service cuts for transit-users and pedestrians.
- While Council added 70,000 new hours for transit routes in new communities, the funds are not sufficient for Calgary Transit to achieve its strategic plan.
- I'm very pleased that the Low Income Transit Pass rate was frozen for 2015, benefiting all low income passengers.
- Tree Disaster Recovery received one-time funding of \$35 million from emergency reserves to restore Calgary's urban forest, devastated by the September snow storm.
- Calgary Police Services adds 10 officers over the next two years; far from what is required given the rapid growth of our City.

Despite my support for services valued by Ward 7 residents, there are areas of concern that I will follow closely as we roll out the Action Plan over the next four years:

- Cuts to Environment and Safety Management will eliminate the solar panel project for community associations and limit our progress as environmental leaders.
- Transit, identified as a top priority for Calgarians, will not achieve their strategic plan at current funding levels.
- A \$2 million (15 percent) cut to pedestrian infrastructure, a small fraction of the \$2.3 billion Transportation budget, will further compromise pedestrian access.
- The constrained Police budget may erode our record-low crime rates. Council will work closely with the Calgary Police Commission to monitor any impacts on service levels.

I'd like to thank City Staff for their hard work and the citizens of Calgary for your participation. We will continue to monitor emerging trends and growth rates over the next four years. For more details on the budget, visit calgary.ca/actionplan. For Ward 7 information, visit druhfarrrell.ca.

your **COMMUNITY** business of the month

Simply For Life Eat & Live well!

Hounsfield Heights-Briar Hill Community

SFL Franchisee Scott Cobbett has always had a passion for helping people, and a desire to help them make changes in their lives that would improve their quality of life. Ten years ago he met Bruce and Claudine Sweeney, the founders of Simply For Life, who shared his vision of a healthier community. He loved their concept of personalized meal plans and eating whole and natural foods – and started the first Alberta clinics shortly afterwards.

At SFL, our mission is to empower people around the world to achieve their ultimate health by adopting simple yet profound nutrition and lifestyle changes – for life.

Our unique program is based on years of scientific research. From this extensive research our unique, customized nutrition program was developed. We calculate the right balance of fruit, vegetables, grains, proteins, fats and carbohydrates based on a multitude of criteria. When you eat the right foods, in the right portions, at the right time of day you can achieve so much more than weight loss - it's about achieving optimal health, for life.

At SFL we believe in doing one thing very well - helping people achieve their ultimate health through food with real food from your grocery store. The initial request from many clients is to “take a few pounds off” but after a few months on the program, it's like a new door opens or a light bulb turns on. Clients begin to sense and feel their body waking up and start believing that health is measured way beyond the scale. Our clients call it “changing the feeling of health”. They experience significantly more energy, better sleep, clarity of mind, a refreshed memory, better fitting clothes – these physical perks easily translate into increased confidence and an overall improvement in their relationships at home and work. This simply becomes the new normal and from then on, our clients know what real health feels like. Vitality is addictive!

We believe in developing strong relationships with our clients. Weight-loss takes time and support from people who care. We energize and encourage our clients while having fun talking about food and the relationships that surround it - laughter and high fives are a common occurrence. We have the best motivational coaches who empower clients to take control of their health! Customized meal plans combined with unwavering support is key - because no one's body or lifestyle is the same. Our job is to get creative and figure out how you can achieve your ultimate health.

Are you tired of being tired and sick of repetitive dieting and failing to achieve any true change? You can look forward to having a meaningful rapport with your consultant – a relationship that is often as inspiring for the consultant as it is for you!

Located in the Lions Park Strip Mall, one street west of North Hill Mall, we have Registered Dietitians on staff, making our program eligible for many health coverage plans. Book a FREE initial consultation with an SFL Consultant to learn the power of a personal “food coach”.

Real food - Real people – Real results

And simple ways to achieve success – for Life!

Will it be easy?
Nope.

Will it be worth it?
Absolutely!

in & around your community | schools

St. Dominic's Fine Arts School

Welcome back students and families of St. Dominic Fine Arts School! We trust the Christmas holidays were restful and time well spent with family and

friends. Please join us in January 13, 2015 at 9:45a.m. for our school's Epiphany liturgy. This celebration will be hosted by Ms. Mirosevic's grade 2 class and Ms. Dusevic's grade 3 class. Please join these classes for our first celebration of the New Year.

Thank you to all of our parents and students who have volunteered to participate in our upcoming open house. Your input will be invaluable to our new families.

This month our students in grades 4, 5, and 6 will be preparing for the Director's Cut workshops which will be taking place the first week of February. Students will be working to identify a topic and prepare scripts, sets and costumes for their small group movie trailers.

Our next School Council meeting will be January 21st 7:00 pm in the library. All parents and guardians are members of School Council and we look forward to seeing you there as we work together to build a strong school community.

Forward resume and cover letter to jobs@great-news.ca. \$14/hour and benefits after three months of employment.

Attention Calgary property owners

On Jan. 5, 2015, The City of Calgary will mail the 2015 property assessment notices.

Your notice contains important information, including your Access Code to register for the Assessment Search website.

For more information, visit calgary.ca/assessmentsearch.

On the Assessment Search website you can access:

- detailed information about your own property(s).
- real estate market sales information used to prepare assessments.
- summary information on other properties for comparison.

Assessment Search – getting started

First-time users will need to complete a two-step registration process:

1. Create a City of Calgary myID account.
2. Link your property assessment to your myID account. When you receive your 2015 assessment notice in January, go to calgary.ca/assessmentsearch and sign in with your myID. Enter the Roll Number and Access Code displayed on your notice.

Deadline – 1st of each month for the next month's publication

Contact news@great-news.ca

- ♦ Free announcements: lost/found, household items for sale, wanted, garage sale, student/senior services, etc.
- ♦ Forty word limit

FYI

THREE MILLION LAKES

Canada has a lot of great things in abundance, like hockey players, parkas and Tim Hortons franchises. But did you know we also have more lake area than any other country in the world? It's true. The Great White North has 563 lakes larger than 100 square kilometres. The Great Lakes alone contain about 18 per cent of the world's fresh lake water. That's a lot of water. Makes you wonder if all of our country's allies are actually just thirsty.
